About Me

A passionate IT professional with a Bachelor's degree in Computer Science and current experience as a Computer and Network Technician at Admas University. Strong interest in networking, systems support, and continuously expanding technical knowledge in the IT field.

Skills

- Problem Solving
- Programming
- Networking
- Teamwork
- Communication
- Painting

Education

- **Bachelor of Computer Science**
Salale University 2021 - 2024
I have a Bachelor's degree in Computer Science, providing a solid foundation in programming, networks, databases, and software development. My interest in computer networks grew through practical lab work and group projects, which supports my current role in IT and professional growth.

Experience

- **Computer & Network Technician**
Admas University 2025 - Now
Worked as a Computer and Network Technician, providing technical support for hardware, software, and network-related issues. Assisted in maintaining and troubleshooting local area networks, installed and configured computer systems, and supported users with day-to-day IT concerns.

Certifications

- **Employability Skill and Job Readyniess Tranning**
Dereja.com 2024
- **Arificail Intelegence**
Udacity 2025
- **Fundamental's of Programming**
Udacity 2025
